NARRATIVE

-360

On 8/13/2017 I was on duty, in full uniform and clearly displaying a badge. At 1703 hours I was dispatched to Spirit Mountain Casino, located at 27100 Salmon River Highway, Grand Ronde, Polk County, Oregon, for report of a male that was trespassing. While en route, dispatch advised that the male was Highpine Eastman, DOB 2/7/1985, and that he had a felony warrant out of Yamhill County. Lt. Hernandez advised he was already out of the county and end of watch, but advised that Highpine's brother, Eagle Eastman, may be around and has assault law enforcement in the past. Dispatch further advised that the warrant was confirmed for Assault in the second degree and that Highpine had caution flags for assault on a public safety officer. Dispatch also advised he was intoxicated. While en route I located Highpine's DMV photo and viewed it, as well as the warrant information.

I called for a cover unit, and the closest cover unit was Polk County Deputy LaCombe, who was responding from Dallas. I called Spirit Mountain Casino Security, who advised that Highpine was permanently trespassed from the casino and that he was being confrontational with security. I advised dispatch I would be increasing my response and responding without waiting for a cover unit due to casino security being at risk, especially given Highpine's cautions for interfering with police and the warrant being for assault II, which I know includes serious physical injury as an element.

As I arrived at the casino, Security Supervisor Micky Wood advised that Highpine was headed towards the valet entrance and the green parking lot. I went to that location and security pointed out Highpine walking with a female in about the third row of parking. I recognized Highpine from his DMV photo. I had my body camera activated already. The following happened in substance, to the best of my recollection and perception at the time of the incident.

I drew my Taser and loudly yelled "stop! Police!" and "get on the ground" to Highpine. The female, later identified as Perri McDaniel, asked if I meant her or Highpine. I gave verbal commands for Ms. McDaniel to move to the side and gave verbal commands to Highpine to "get on the ground!" Highpine refused to get on the ground and was yelling at me. Ms. McDaniel was yelling at me. I sidestepped to my left while pointing my Taser at Highpine while I continued to shout verbal commands to "get on the ground, get on the ground NOW!"

Highpine continued to refuse to get on the ground and yelled at me. Ms. McDaniel continued to refuse orders to move aside and kept physically putting herself between my Taser and Highpine. I continued to yell verbal commands to "stop!" and "get on the ground or you will be Tased!" while pointing my Taser at Highpine from about 10 feet away. I observed Highpine put his hands up but point his feet towards me in an aggressive stance, and I believed Highpine was getting ready to assault me. At that time, Ms. McDaniel was still yelling at me and walking towards me aggressively.

Due to the severity of the crime of Assault II that Highpine was wanted for, the known factors of Highpine having a history of interfering with police and associated cautions, the fact that Highpine was continually refusing orders to get on the ground and his aggressive stance and shouts, the fact that Highpine appeared to be larger than me, my cover unit likely still being 5-10 minutes away, as well as Ms.

McDaniel walking towards me while yelling and physically attempting to stop me from taking Highpine into custody, I was afraid I would be assaulted and would have to physically fight both Ms. McDaniel and Highpine. I quickly sidestepped to my left and pulled the trigger of my Taser while it was pointed at Highpine and it was effective, with the probes and wires hitting Highpine in the upper Torso area. I observed Highpine fall back to the ground. Ms. McDaniel began screaming at me "you motherfucker!" and I had to yell verbal commands at her to "get on the ground or you will be Tased too!" Ms. McDaniel stood back about 6 feet from me, but continued to yell at me and approach me. I repeatedly had to yell at Ms. McDaniel to "step back!" "get on the ground" and "shut up!" because she was yelling so loudly that I could not effectively give further instruction to Highpine.

I let dispatch know I had Tased Highpine and asked for medics to respond.

I told Highpine to turn over onto his stomach or he would be Tased again, and he complied. I told Highpine to put his hands on the small of his back. I told Highpine he was under arrest for a felony warrant and for trespass. I began putting handcuffs on Highpine. Highpine continued to yell at me and tried to roll away from me while tensing his body up. I told Highpine to stop resisting or he would be tased again. As I attempted to double lock the handcuffs, Highpine tensed his body up and tried to roll away from me, and I told him again to stop resisting but he continued to try and roll away from me. I activated my Taser again for a 5 second cycle, and Highpine immediately stopped resisting. I was able to secure Highpine to the ground with my knee on his upper back.

While securing Highpine, Ms. McDaniel repeatedly screamed at me and approached me. I had to yell commands at her to stay back and Security Supervisor Wood stepped in and kept Ms. McDaniel from approaching me. Ms. McDaniel began to record me on her cell phone. I told her that was fine because I was recording on my body camera, but that she needed to do it from that distance and not approach me again. I told her I would need her information, and Highpine told me it was his mother.

Devere Eastman, a Casino employee, came outside and identified himself as Highpine's brother. Devere kept trying to calm Highpine down as he would alternate between tensing his body up and screaming at me, and then calming down. Highpine did not seem to recognize Devere at times, and I could smell a moderate odor of an alcoholic beverage coming from Highpine's person. I also observed his speech to be extremely slurred.

Highpine asked to sit up. I told him as long as he did not resist any more I would let him sit up, and he agreed. I sat Highpine up into a seated position, and he continued to alternate between being calm and screaming at me "what did I do." I repeatedly explained the warrant and trespass charges to Highpine.

I asked Highpine if he had any injuries, and he told me he had a heart condition but was not having any issues now. When medics arrived, I advised them to wait for Deputy LaCombe, who was about 2 minutes away. When Deputy LaCombe arrived, medics checked on Highpine, removed the Taser probes and wires, and cleared him for transport to the jail. I specifically asked them to check Highpine's head for any injuries from falling after being Tased, and they advised there were no visible injuries and Highpine insisted he was fine.

At some point, Ms. McDaniel left the scene and was not located again.

The medics placed the Taser probes into a locked sharps container and gave that to me. I photographed the area where I had deployed the Taser. I collected the Taser wires and doors but could not find any other pieces of evidence. Deputy Lacombe and I assisted Highpine to his feet. I checked the handcuffs for proper tightness and fit and conducted an officer safety patdown on Highpine for weapons and means of escape and found none. I escorted Highpine to the back of my patrol vehicle and placed him in the backseat, and placed his seatbelt on. I secured the Taser evidence in the back of my patrol vehicle.

I transported Highpine to the Polk County Jail. While en route, Highpine cycled between calm and quiet to loudly screaming at me while banging his head on the cage divider. I told Highpine several times to stop banging his head and he would immediately comply. While driving to the Polk County Jail, Highpine asked my name repeatedly, and after I told him, he told me that he would kill me. I asked him when, and he said "maybe tonight, maybe next time I see you."

I advised dispatch of the threats made and asked that extra deputies be available at the jail in case Highpine was combative there.

At the jail, Highpine was not combative. Highpine refused to have his blood alcohol content tested. The corrections deputies explained that Highpine needed to provide a sample to see if he was medically cleared to be lodged, as they were worried about him having alcohol poisoning. Highpine refused to provide a sample, so I transported him to the West Valley Hospital in Dallas, Oregon. At the hospital, Highpine was cleared by medical staff and I was given a form. I kept a copy of the form which will be attached to this report.

I called Grand Ronde Tribal Police Sergeant Rod McAllister by telephone and advised him of the use of force.

I transported Highpine to the Polk County Jail, where he was lodged for the following charges:

{
\b7
-360Yamhill County Felony Warrant for Assault II, Warrant # 17CR53185;

{
\b7ORS 164.245 Criminal Trespass II, due to Highpine Eastman being at Spirit Mountain Casino after knowingly being permanently trespassed from the casino property. It should be noted that Highpine was previously arrested in case 16-515 for trespassing at the casino on 9/18/2016;

{
\b7ORS 162.247 Interfering with a police officer, due to Highpine refusing several orders to stop and get on the ground after I identified myself as a police officer and while warning him to get on the ground or he would be Tased;

{
\\b7ORS 162.315 Resisting arrest, due to Highpine physically tensing his body up and attempting to roll away from my several times while I was handcuffing him, after I had informed him he was under arrest for Trespass and a Felony Warrant;
{
\\b7ORS 166.025 Disorderly conduct II, due to Highpine screaming loudly at me during and after the arrest, causing several patrons to stop walking and stare, as well as being so disruptive while being served food that he was asked to leave by Casino staff.

I returned to the Grand Ronde Police station and secured the Taser probes and cartridge in evidence as Item # 001.
Officer Tehama returned to the scene of the incident and retrieved two AFIDS for me, which were secured as Item # 002. See Officer Tehama's supplemental report for further.
I downloaded my body camera footage into DEMS and saved it as evidence, Item # 003.
I burned the photos I had taken onto a CDR and saved it in evidence as Item # 005.
I later reviewed my body camera footage and observed that directly before I activated my Taser, Highpine took a step backward with his hands up. I did not notice this during the incident due to the speed at which events were unfolding and due to the fact that Ms. McDaniel was approaching me and I believed I was about to be assaulted and would have to fight both Ms. McDaniel and Highpine without a cover unit.
On 8/14/2017 at 0636 hours I returned to Spirit Mountain Casino and spoke with Security Staff. Security staff gave me the security reports for this incident, which is incident number INC-112829, as well as the incident on 9/18/2016, INC-10541. In security report INC-10541, after Highpine was arrested by Grand Ronde Tribal Police for trespass on 9/18/2016, Security explained to Highpine that he was permanently and indefinitely excluded from the casino and that future incidents would result in the Casino pursuing trespass charges. There is a copy of the written exclusion notice in that report.
I secured both reports in evidence as Item #004.
I also requested SMC Surveillance provide me a copy of the surveillance footage. I will attach that to this report once received.
Security also identified Ms. McDaniel as the female that was with Highpine. I looked up Ms. McDaniel's DMV photo and noted it was a match for the female that attempted to stop me from arresting Highpine.
At this time, I have probable cause to arrest Ms. McDaniel for the following crimes:

{
\\b7
-360ORS 162.325 Hindering prosecution, due to Ms. McDaniel physically attempting to stop me from taking Highpine into custody on his Felony warrant, when she continually stepped between me and Highpine and refused orders to step aside;
{
\\b7ORS 162.247 Interfering with a police officer, due to Ms. McDaniel refusing orders to get on the ground, as well as refusing orders to step aside when I attempted to take Highpine into custody.
