Hi Jenna!

Thank you for your reply.

The comments were from late at night 9/20/26.

Other interactions include his directorship of the PAC, Community Oriented Public Servants (COPS) and the information that PAC has spread across the community about me, and associations with an individual who coordinated death threats against me, which has continued over the years.

I am happy to speak more at length over the phone or in person beyond the above.

Thank you!

Elise

Elise,

Will forwarded me your email to look into concerns brought forward regarding posts being made by one of the City's reserve officers. After review, I am not seeing the dates for these comments/posts. Can you outline this for me?

Also, you stated previous interactions with this employee. Can you please describe?

I appreciate it and if there are any further posts, please send my way as I continue my review.

Thanks!
